
Introduction

These Terms and Conditions ("the Terms") govern your access to and use of the Roblox Hub service (the "Service") provided by SolarTech ("the Company", "us", "we" or "our"). By engaging with our offerings, users agree to adhere to the conditions set forth herein. By using the Service, you consent to these Terms.

The Terms set forth in this document apply to all users interacting with our in-app bot on Discord ("Discord Bot") and our experience on the Roblox platform ("Roblox Hub"), as well as any other platforms and services offered by us. By using the Service, you consent to these Terms.

Scope

The Terms apply to all individuals who have interaction with SolarTech's Discord Bot or our Roblox Hub, as well as any other platforms and services offered by us (collectively, the "Services").

Purchases and Licenses

When you make a purchase on the Service, you receive a limited, non-exclusive, non-transferable, revocable license to access and use the digital model or asset you have purchased for your personal use in connection with the Service only. You do not acquire ownership of the model or asset under this license. This asset is licensed, not sold, to you by the Company for use strictly in accordance with the Terms.

Restrictions

You may not:

1. resell, distribute, lease, assign or sublicense any model or asset from the Service;
2. reverse engineer, decompile or disassemble any aspect of the Service;
3. modify or create derivative works based on models or assets from the Service; or
4. remove, alter or obscure any proprietary notice (including any notice of copyright or trademark) of the Company of the Service.

Termination

This license remains in effect until terminated. Licenses are automatically terminated if you violate any of these Terms. We reserve the right to revoke or terminate this license and your access to any models or assets at any time for any reason.

No Refunds

All purchases are final and non-refundable. You acknowledge that the Service is provided on an "as is" and "as available" basis without any representations or warranties of any kind. There shall be no refunds or credits for any termination of your licenses or disruption of your access to or use of any models or assets purchased on the Service for any reason, whether by you or us. However, refunds may be granted at the Company's sole discretion.

Privacy

Your privacy is important to us. Our Privacy Policy explains how we collect, use, share, and protect information in relation to our Service. You understand that by using our Service, you consent and agree to the collection and use of certain information about you in accordance with our Privacy Policy.
